Dear Sir:-

Your favor of the 18th received. Thanks for the information.

I enclose you a rubbing of the coin I have. If the rubbing you sent is a Jewish sheckel, then I have no sheckel, however, I sent a rubbing of mine to some experts and they said it was a Jewish sheckel. I consulted an encyclopedia and found that there are sheckels, half sheckels and quarter sheckels. What is my coin?

Resp'y yours,

Thad Burch
